Product Summary and Sample Customer Profiles

McCulloch Chainsaws

No matter what your garden task, McCulloch has a range of electric, battery, and petrol chainsaws with the power to get the job done. Whether cutting firewood or felling large trees, all McCulloch chainsaws have strong engines, great ergonomics, and superior durability. With a high chain speed, and a slimmed-down lightweight design McCulloch's chainsaws are probably the smoothest chainsaws you've ever tried.

Customer Profiles

Marcel Ledbetter bought a secondhand pulpwood truck and now operates a pulpwood business. While he hopes to expand, currently, the business is just him, cutting and hauling pulpwood on a daily basis. He depends on his saw for his livelihood and runs it 5-6 days per week.

Versie Ledbetter is a farmer near Macomb, MS. He has a diversified farming operation including cotton, corn, garden crops, and livestock. He uses a chainsaw occasionally to cut fence posts, trim trees, cut stove wood, and clean out fencerows.

Minnie Lee Stone is a retired school teacher with a one acre lawn that includes lots of landscaping. She uses a chainsaw to trim trees, remove shrubs, and complete other maintenance in her lawn and garden.
