

# Agriculture Teachers Change Lives

*Have you ever stopped to ask where you would be today without your Agriculture Teacher? While the stories are different, thousands of people can say, "Without my Agriculture Teacher, I would not be where I am today." Since 1917, Kentucky Agriculture Teachers have motivated thousands of students to work harder, study more, start a business, go to college, and, most importantly, to believe in themselves.*

## ***How will my teacher be recognized?***

- \$50 to \$249 – A card will be sent to your Agriculture Teacher (or a family member if he/she is deceased) thanking them for the difference they made in your life.
- \$250 to \$999 – A card will be sent to your teacher, and your comments will be included in a permanent display at the Leadership Training Center.
- \$1,000 to \$1,999 – All of the above and the name of your teacher will be displayed on a plaque at the Leadership Training Center.
- \$2,000 or more – All of the above and an 8 x 10 photo of the teacher will be on permanent display at the Leadership Training Center. In addition, the teacher will be recognized on-stage at the Kentucky FFA Convention in June.

## ***Honor your Agriculture Teacher today!***
