Participants will use provided charts, graphs, and other information to solve 30 problems related to the topics of farm and agribusiness management. Each problem is worth five points.

Problems from past years are posted at www.kyffa.org

Farm and Agribusiness Management

Scoring

Possible score for each participant is 300 points, with a possible team score of 900 points.

The top three team members' scores will count toward the team score.

Teams will be ranked in numerical order on the basis of the final team score.

Individuals will be ranked in numerical order on the basis of the final individual score.

TIEBREAKER

Ties will be broken based on the team with the highest combined score on the Problem Solving component of the event.
