

# Dairy Exam Resources

## Overview

The Dairy Cattle Evaluation Exam will include 50 multiple choice questions.

Questions will cover all areas of dairy science.

Most questions come from the past three years of the sample questions below. It is possible that 2-3 general agriculture knowledge questions may also be included. Examples could include:

“Who is the Commissioner of the Kentucky Department of Agriculture?”

“Who is the United State Secretary of Agriculture?”

“What do the letters NAFTA stand for?”
