

Envirothon

Event Rules

All members participating in this Career Development Event must meet the eligibility requirements and adhere to the rules of the Kentucky FFA Association as outlined in the Rules Governing FFA Activities document.

Number of members on a team: Five

Official Dress Appropriate: No

Regional Event: Two regional events are held in April of each year. Teams are expected to attend the regional event closest to their school. In the event of a schedule conflict, the team must submit a written request to attend the other regional event. Written requests must be submitted to the Kentucky Envirothon.

State Event: The state event is held in May of each year. The highest placing FFA team in the Kentucky Envirothon will represent Kentucky in the National FFA Environmental and Natural Resources CDE at the National FFA Convention.

Pre-registration for this event is required. The deadline for registration is March 31, however discounted registration is available for teams registering sooner. See the Kentucky Envirothon website for complete details on registration.

Event Overview

The Kentucky Envirothon, sponsored by the Kentucky Division of Conservation, serves as the state qualifying event for the National FFA Environmental and Natural Resources Career Development Event. Complete guidelines, dates, and registration information for the Envirothon are available at: <http://conservation.ky.gov/Pages/Envirothon.aspx>

Teams competing as FFA teams must be composed entirely of dues paying FFA members.

FFA teams must declare their status as an FFA team to the event officials before the event begins.

A student can participate in the Envirothon as an FFA member only one time. This applies only to FFA participating teams.

All five members participating as an FFA team will have used their eligibility for this event as an FFA member.

An FFA team must place in the top five teams in their region in order to qualify for the state Envirothon Event.
