SAE Launch Grant

Application Deadline *October 15th*

Applications are to be emailed as a single PDF to Emily Mitchell emily.mitchell@kyffa.org

- The Kentucky FFA Foundation is pleased to announce the SAE Launch Grant. This grant will replace Ag Entrepreneurship Grants, Livestock Grants and SAE Mini Grants.

- Funding is provided by numerous donors through gifts to the Kentucky FFA Foundation

- Students may apply for $500 to "launch" a new SAE project or expand an already existing SAE project.

- The grant will be offered twice a year beginning September 15th and again on January 15th.

- Students may only receive the grant once a school year.

- Students that applied in September but are not selected may apply again in January.

- Chapters may send more than one application, but each student requires their own detailed advisors statement.
