Wish Book

Our FFA members have a wide variety of SAE's. This placement SAE involves working at a Christmas tree farm.

Merry Christmas from the Kentucky FFA Foundation!

It's the season of giving, and we hope you'll consider including the Kentucky FFA Foundation in your giving plans.

We have several fun ways to cross a few special folks off your Christmas list while you help support our mission of growing leaders, building communities, and strengthening agriculture. If you have a person that's tough to buy for, we invite you considering donating an FFA Jacket or FFA Camp Scholarship in their name!

As you are making year end gifts, I want to also remind you that we now have an opportunity for you to make an endowed Forever Blue Gift, which allows you to choose how you want to support FFA members and direct it to a chapter of your choice. That means that if your heart for FFA is located in your hometown, you can make a gift that will forever be given back to those members. Our "Forever Blue" program ensures that in 50 years, your gift is still relevant to the initial gift, always honoring your intent.

Whether the time is right for you to make a major gift, or you just need something to fill the stocking of an FFA fan in your life, we appreciate you entrusting us with the financial support to help Kentucky FFA members learn and grow.

Wishing you and yours the happiest of holiday seasons!

Sincerely,
Sheldon McKinney
Executive Director, Kentucky FFA Foundation
