Company: HISUN Motors Corporation

For years, HISUN Motors Corporation has provided quality and revolutionary all-terrain vehicles for some of the biggest names in the powersports industry. This private label production allowed HISUN Motors Corporation to quietly grow to one of the largest providers of powersports vehicles globally year after year.

After opening the doors to the new 300,000 sq-ft U.S. headquarters in McKinney, Tx, HISUN Motors Corp., USA has become a major powersports supplier through quality products and superior support.

Housing final assembly, technical support and parts distribution in the heart of Texas has solidified HISUN Motors as one of the fastest growing companies in the Industry.

HISUN Motors has become a global powersports leader, providing the industry with innovative products. More than 250 dealers nationwide and hundreds of retail outlets proudly sell HISUN branded UTV's and ATV's.

At HISUN Motors Corp., USA, we are dedicated to delivering a complete line of unique and versatile UTVs and ATVs, with a common focus of surpassing industry expectations. Our mission is to fuel enthusiasts worldwide with innovative products that propel the industry. We make more than just powersports vehicles, we make off-road experiences that will last a lifetime.
