

Uline, a family-owned business, is the leading distributor of shipping, industrial and packaging materials to businesses throughout North America. For over 45 years, we've stayed committed to providing the highest levels of service and quality products to our customers.

Implement robust biosecurity protocols to safeguard your livestock and protect your farm's productivity with essential supplies from ULINE. Preventing the introduction and spread of disease is crucial for modern commercial swine, poultry, beef, and dairy operations. Our range of biosecurity products helps you establish effective control points and maintain high standards of farm hygiene.

Bootie Butler™

Protect your client's \$1 million house or the most sensitive laboratory or data room!

Website: https://www.uline.com/BL_1208/Bootie-Butler

How to use the Bootie Butler:

- Step in and pull back. Covers are automatically applied.
- Use anywhere. Requires no electricity.

BOOTIE BUTLER™ DISPENSERS

MODEL NO.	DESCRIPTION	SIZE L x W x H	CAPACITY	WT. (LBS)	PRICE EACH	
					1	2+
H-26 18	Small	27 x 13 x 8"	55 pairs	23	\$355	\$350
H-26 19	Large	29 x 13 x 30"	110 pairs	46	\$600 any qty.	

Boot Covers vs. Dispensers: The covers are single-use disposable booties with specialized rings or clips. The dispensers are kinetic, non-electric mechanical boxes that hold the covers under tension so you can step directly into them hands-free.
